

Homework #5

Due Friday 11 February, 2022 at 11:59pm.

Submit as a single PDF via Gradescope, linked from the Canvas page

canvas.alaska.edu/courses/7017

Textbook Problems from Strang, *Intro Linear Algebra*, 5th ed. will be graded for completion. Answers/solutions are linked at

bueler.github.io/math314/resources.html

P Problems will be graded for correctness.

Put these Textbook Problems first on your PDF, in this order.

from Problem Set 2.6, pages 104–107: # 5, 6, 8, 12, 13

from Problem Set 2.7, pages 116–120: # 2, 4, 7, 8, 16, 19

*Put these **P** Problems next on your PDF, in this order.*

*There are no **P** problems on this assignment.*
